

## **Nomination for Outstanding LSGI Alumni Award 2018**

Over the years, firstly as the Centre for Land and Engineering Surveying and then as the Department of Land Surveying and Geo-Informatics, LSGI has seen over 3,000 graduates passing through its classrooms, site work, labs, survey camps, etc. Many of them developed their career in Geomatics industries in local and overseas. There is not doubt that we nurtured a number of outstanding professionals who play significant role in the industry and contribute to the society at large.

In order to recognise to these outstanding graduates, LSGI has initiated the Outstanding LSGI Alumni Award since 2010. The award is given every two years according to the criteria set.

Outstanding LSGI Alumni Award 2018 is now open for nomination.

Nomination deadline: 31 July 2018

Eligibility of candidate:

The candidate nominated must be a bona fide graduate who has successfully completed a regular full-time or part-time programme offered by the LSGI Department, which led to academic awards accredited by the university.

Eligibility of proposer:

Each nomination shall be proposed by a bona fide graduate of PolyU, a current staff member of PolyU, or any member of the public. There is no limit to the number of nominations to be submitted by each proposer. However, the proposer cannot be the candidate himself/herself.

Nomination form: download [here](#)
