

**LSGI student wins the “Outstanding Final Year Dissertation Awards 2015”
from the Hong Kong Institute of Surveyors**

Miss ZHOU Xiaolin, a BSc student of LSGI, received the Top Award (Land surveying) in the “Outstanding Final Year Dissertation Awards 2015” from The Hong Kong Institute of Surveyors (HKIS) on her project “Build a 3D cadaster in Hong Kong”.

“Outstanding Final Year Dissertation Awards” is organized by the Research Committee of the Hong Kong Institute of Surveyors (HKIS). The purpose of the Awards is to promote research amongst our future surveyors and reward the efforts of the students. The selection of the awards is based on merits in research as well as the applicability of the research output to the Surveying profession.

Congratulations to Xiaolin!
