GIS Trainee Intern

Esri China (Hong Kong) Limited is the premier Geographic Information Systems (GIS) and mapping solutions provider in Hong Kong and Macao. As an international office of Environmental Systems Research Institute (Esri), the world leader of GIS software, we aim to bring state-of-the-art GIS technology from Esri to the local users.

Our Summer Internship Program 2021 is open for application now. Selected interns will be giving the opportunities to be involved in various project services or assignments, and relevant trainings will also be provided.

Job Descriptions:

- Perform data administration, digitization and conversion
- Conduct data quality checking
- Perform other tasks as assigned by the supervisor

Requirements:

- University student majoring in Geo-Informatics, Computer Science or related fields
- Knowledge in GIS and Esri products preferable
- Able to work from June to August 2021

If you are interested to join our Summer Internship Program, please submit your CV to our Human Resources Department via e-mail to recruit@esrichina.hk.
