

THE HONG KONG
POLYTECHNIC UNIVERSITY

香港理工大學

Dept. of Land Surveying and Geo-Informatics

Part-time
BACHELOR OF SCIENCE (WITH HONOURS)
IN
SURVEYING AND GEO-INFORMATICS

The Department of Land Surveying and Geo-Informatics offers Bachelor of Science (with Honours) in Surveying and Geo-Informatics in part-time mode.

This course is designed for working technicians to obtain a degree qualification. Like the full-time BSc programme, our mission is to prepare students to confidently assume new responsibilities in their profession. We provide:

- A sound academic foundation for the students' professional career;
- A firm understanding of both state-of-the-art and experimental techniques;
- Relevant professional skills;
- An education that stimulates in an inquiring mind, a capacity for analysis, assimilation of new ideas, and innovation.

Some basic information about this course is as follows:

◆ Title of Course:	Bachelor of Science (Honours) in Surveying and Geo-Informatics
◆ Mode of Attendance:	Part-time
◆ Duration:	Normally 4 years, maximum 8 years
◆ Credits Required for Graduation:	72
◆ Implementation Date:	September 2001
◆ Quota (Intake):	30 students
◆ Course Leader:	Dr. Li Zhilin (Tel: 2766 5960)
◆ Admission Officer:	Steve Lam (Tel: 2766 5964)
◆ Funding:	Self-financed
